PLEASE BRING THE BREAD 15 MINUTES BEFORE MASS STARTS

If you cannot serve as Breadmaker on a particular day please call the office and leave a message for Karen McMahan, 661-0644.

When we gather together in Christ's name, there is one thing we must always do together – pray to our gracious Creator. When ministers of bread baking gather they may Pray this special prayer, based on the prayer written by Dorothy Huseman of St. Edward Parish of Lowell.

Lord, we humbly accept your call to bake the bread for the holy and sacred sacrifice of the Mass.

Make us worthy and bless us with pure hearts and open minds, as we take the grain the earth has given,

and shape it with our human hands into what will become the body of your son, Jesus.

Send your spirit upon us, gracious and loving God, that the bread may be pure, and sweet, able to bear the weight of the sacred mystery as it becomes the body of your Son and our savior.

Let this bread nourish your people as they partake of your holy, living, sacrifice.

Thank you Lord, for calling us to this ministry, and help us to always remember Your love, which accomplishes all good things,

and answers the prayers of your children who hunger for you.

All praise to the Father, Son, and Holy Spirit, who live and reign for ever and ever.

Amen
