

Family Homework Packet Instructions:

- All homework is labeled by grade level.
- If you have more children per grade level, please **make a copy before** writing on the assignment. You may also **print off another copy** from the Holy Spirit website Holy-SpiritChurch.org (under: *Education-Generations of Faith Monthly Homework Assignments*).
- Please make a copy of the **parent homework** as well if both parents attend Generations of Faith so that both may express their opinion.
- Write **names** at the top of each paper. Circle the **grade level** (if applicable).
- Families are encouraged to work TOGETHER on assignments; that is why we call it a FAMILY PACKET. The homework provides "food" for thought and discussion. **However....**
- **WE HAD SEVERAL PARENTS COMPLETING HOMEWORK FOR THEIR CHILDREN LAST YEAR.** Each individual's assignment should be done AND WRITTEN (unless too young or handicapped!) by THAT INDIVIDUAL. *The child is not being "formed" or catechized if they are not doing the work.*
- Table Leaders will be checking to make sure that all assignments are **completed each month.**
- We will not collect ALL homework each month. **We will choose a different grade level (including parents) to collect and review.** We will NOT collect these in any certain order (therefore ensuring everyone completes their monthly responsibility). THANK YOU!
- Please bring your Family Binder every month.
